Dear Ed and Emily:

I represent the Star Lake Canal Cooperating Parties (SLCCP) with regard to TOTAL Petrochemicals & Refinery, USA, Inc. (TOTAL) and its nexus with the referenced Site. We have prepared the attached nexus report for the TOTAL facility which was acquired from ARCO by TOTAL's predecessor company in 1973. Tobias Smith has previously provided you with the nexus report for BP/ARCO. As we discussed in our telephone call on March 2, the Group will be entering into negotiations with TOTAL and BP. Accordingly, EPA's decision on issuing notice letters will be very helpful in that effort.

Regards,

Connie
